Anti-bullying Strategy South Hetton Primary School

Key Principles

Everyone at South Hetton Primary has the right to feel welcome, secure and happy. Bullying prevents this, undermines self-esteem and denies equality of opportunity. It is everyone's responsibility to challenge bullying and this policy contains guidelines for action.

Our school code uses the Equality Act 2010: To treat everyone Equally and Fairly regardless of:

- Age
- Disability
- Gender
- Gender Identity
- Race and Nationality
- Religion and belief
- Pregnancy
- Marriage
- Sexual Orientation

We will adhere to the legal definitions of these protected characteristics as set out by the Equality and Human Rights Commission (EHRC) code of practice (see Equal Opportunities Policy).

Our Intent: It is everyone's responsibility to challenge bullying and this policy contains guidelines for action.

Where bullying exists or is suspected, the victims must feel confident to activate our anti-bullying systems within the school.

This policy is linked to Safeguarding, Behaviour, Child Protection, Equality, Inclusion, Online Safety and Acceptable Use policies.

Aims and Objectives

- Provide sufficient and swift support for children and staff at risk of being bullied;
- Challenge attitudes about bullying behaviour;
- Develop an anti-bullying ethos in the school;
- Establish and maintain a record of bullying incidents and actions taken as a result.

What is Bullying?

Bullying is *deliberately hurtful behaviour that is repeated over a period of time, making it difficult for the person concerned to defend themselves.*

Our pupil version: *Doing something Several Times On Purpose to hurt/upset someone else.*

Bullying can take many forms:

- Name-calling
- Violence
- Threatened violence
- Isolation
- Ridicule
- Emotional bullying
- Indirect action such as spreading unpleasant stories
- Cyber-bullying

In some cases, bullying can be prejudice driven and some may be targeted at someone due to:

- Age
- Race
- Religion or culture
- SEN or disability
- Health conditions or appearance
- Sexual orientation
- Gender
- Gender identity
- Beliefs
- Home circumstances.

At South Hetton, all forms of bullying will be investigated and challenged.

Who does the policy apply to?

This policy applies to all forms of bullying within the school environment, between all stakeholders: children, staff and parents for example:

- Children bullying each other
- Children bullying staff
- Staff bullying children
- Staff bullying each other
- Parents bullying staff

The school works hard to ensure that all stakeholders know the difference between bullying and simply "falling out".

Actions to Prevent Bullying

Senior leaders will organise assemblies and special events to tackle Bullying. These will be held regularly to remind pupils of the school's expectations, procedures and provide confidence to children who are vulnerable. Assemblies will also be held to encourage children to embrace and celebrate difference, for example using resources from the 'Educate and Celebrate' programme.

At the start of a new school year, senior managers go through the School's Code of Conduct with all pupils, which includes anti-bullying. This is then done regularly by staff throughout the year.

Staff will be vigilant for signs of bullying and always take reports of incidents seriously. We will use the curriculum whenever possible to reinforce the ethos of the school and help pupils to develop strategies to combat bullying-type behaviour. In Personal, Social, Health & Citizenship Education lessons, year group teachers will ensure that units of work are sufficient and progressively build understanding and confidence.

Pupil Involvement

Pupil voice meetings will be held throughout the year. These will routinely address bullying issues, but specific 'Anti-bullying' lessons will be held regularly to purely focus on this issue.

Identifying Bullying

Bullying can be difficult to identify because it is often subtle, covert and rarely witnessed by adults. However, some of the warning signs can include:

- Torn clothing and damaged books
- Sudden mood swings
- Loss of belongings
- Requests to be accompanied to and from school
- Bedwetting
- Nail biting
- Nervous tics
- Sleep walking
- Flinching
- Underachievement
- School refusal
- Temper flare ups
- Physical marks
- Avoidance of certain days

- Psychosomatic illness

Reporting Bullying

Pupils are told, for example through regular whole school assemblies, staff reminders and PHSE lessons, that they must report any incidence of bullying to an adult within school. Also, when another pupil tells them that they are being bullied or if they see bullying taking place, it is their responsibility to report their knowledge to a member of staff.

At South Hetton Primary, staff are always available to speak to parents about concerns they may have. Parents are also informed via the school newsletter of what they should do if they have concerns about the safety of a child. All reported incidents of bullying will be investigated and taken seriously by staff members. Details will be recorded from the alleged victim and perpetrator as well as any witnesses.

If bullying **is not** found to be occurring, the incident will still be dealt with and the person reporting will be spoken to about why it is not an incident of bullying, for example it may be a one-off incident, two friends falling out, two children who just don't like each other, or a misunderstanding.

If bullying **is** found to be occurring, action will be taken to ensure that the bullying ceases. This action will vary depending on the situation but will involve:

- Ensuring the victim has a way of reporting any incidents quickly to someone they feel comfortable talking to;
- Putting systems in place to ensure the victim and perpetrator/s are kept apart wherever possible;
- Informing all staff;
- Informing all parents;
- An ongoing Bullying Record using CPOMS will be put in place to record any future incidents of bullying.

It may also involve:

- Working with our SENDCO (Mrs Hill);
- Working with outside agencies such as health care professionals, behaviour teams or the Police.

In order to ensure effective monitoring of such occurrences, and to facilitate co-ordinated action, all proven incidences of bullying will be reported to the Headteacher.

Bullying instances will be collated by phase leaders and discussed in Senior Leadership or Safeguarding, Welfare and Attendance meetings to deal with bullying/awareness sessions etc.

Intervention Strategies

Upon discovery of an incident of bullying, we will discuss with the children the issues appropriate to the incident and to their age and level of understanding. If the incident is not too serious, a problem-solving approach may help. The victim will be offered the choice to be included or excluded from the enquiry.

In discussion, the member of staff will try to remain neutral and deliberately avoid direct, closed questioning which may be interpreted as accusatory or interrogational in style. Each pupil must be given an opportunity to speak and the discussion should remain focused on finding a solution to the problem and stopping the bullying recurring.

Parents should be informed, their view point understood and involvement encouraged.

Rebuilding - If pupils expect follow-up, they are less likely to start bullying again!

When a solution is reached, a programme of tracking meetings needs to be put in place to closely review progress. In most cases, these short tracking meetings should be daily at first followed by longer intervals agreed by participants.

There are various strategies that can be applied if more than one pupil is involved in bullying another. Role-play and other drama techniques can be used as well as Circle Time if this is appropriate to the age and maturity of the child/children involved. If held regularly, this can be an effective way of sharing information and provide a forum for discussing important issues such as equal rights, relationships, justice and acceptable behaviour.

Victims need to be taught assertive behaviour techniques.

If you are being bullied:

- Try to stay calm and look as confident as you can;
- Be firm and clear – look them in the eye and tell them to stop;
- Get away from the situation as quickly as possible;
- Tell an adult what has happened straight away.

Parental Involvement

Parents of bullies and their victims will be informed of the incident and the action that has taken place. Parental views will be obtained and given due consideration. They will be asked to support strategies proposed to tackle the problem. The bully will also be reminded of the possible consequences of bullying and the sanctions for repeated incidents will be clearly explained.

Persistent bullying will not be tolerated and pupils who engage in this type of behaviour are at risk of being suspended from school. Where necessary, we shall call on outside support and resources such as the Behaviour Support Service and Educational Psychology Service.

Roles and Responsibilities

It is the collective responsibility of **all staff members** including admin staff, teaching assistants and teaching staff to:

- Report any concerns about incidents which could affect the health or wellbeing of anyone in the school to the Head Teacher, Deputy Headteacher or Assistant Headteacher;
